

Structure Access Application
Second Taxing District Poles, Norwalk, Connecticut
(To be completed by Applicant)

To: South Norwalk Electric and Water
164 Water Street
S. Norwalk, CT 06854
techsvcs@snew.org

A payment of \$_____, for the application and survey costs, must accompany this Form.

In accordance with the terms and conditions of the Interconnection Agreement or Structure License Agreement between (Company Name) and South Norwalk Electric and Water (SNEW), an application is hereby made for a Permit to attach communication facilities to (number) poles as indicated on the attached stick map(s) and data sheet(s) (Forms P-2-x) in the Second Taxing District of Norwalk CT.

Applicant to indicate action below:

[] This authorizes SNEW to perform a Field Survey whereby SNEW will determine the availability of the pole structure for occupancy, will estimate what Make Ready work would be required to prepare the poles for occupancy, and will provide an estimated cost for that Make Ready work. Enclosed is a deposit of \$_____ to be applied toward the cost for SNEW to perform the Field Survey. The cost for the Field Survey will be:

\$150 + (\$50 X _____ Poles = \$_____) = \$_____
(Administration Costs) (Unit cost per Pole) (No. Poles) (Total Fixed Charge)

[] Stick Map Attached [] Forms P-2-x attached

It is understood that this will be the total cost for the Field Survey work unless extraordinary expenses are incurred or changes are requested by Applicant that increase the costs.

By signing this application you agree to follow Interconnection Agreement or Structure License Agreement, whichever is applicable.
