(1) **Discussion and Vote on Resolution Establishing a Special Committee to oversee the independent investigation authorized by CMEEC Board of Directors on November 9, 2018.**

Chairman Sullivan allowed those Directors present and participating via telephone a short period of time within which to review the resolution. Upon completion of Board review, Chairman Sullivan opened the floor for discussion.

Bill Kowalski, Municipal Electric Consumer Advocate, expressed his thoughts on the language of the resolution. He noted that the members appointed to serve on the Board Special Committee ("Special Committee") to oversee the independent investigation should be comprised of those members that were not participants of the Derby or Greenbriar trips. Ms. Kipnis confirmed that those appointed to the Special Committee did not participate in any of those trips.

He continued to suggest that all meetings of the Special Committee be public meetings and that those meetings be posted to the public greater than twenty-four hours in advance. Lastly, he suggested that the Special Committee's findings and recommendations be made public within forty-eight hours.

Ms. Kipnis thanked Mr. Kowalski for his input. She added that, in response to Mr. Kowalski's suggestion that all Special Committee meetings be held publicly, holding all meetings publicly may not be possible since some of the subject matter may be personnel related. She added that confidentiality and privilege must be preserved to conduct a proper investigation.

Chairman Sullivan thanked Mr. Kowalski for his comments and inquired if any of the Board present required any further discussion, hearing none, he entertained a motion to approve the resolution.

A motion was made by Member Representative Louis Demicco, seconded by Alternate Member Representative Richard Tanger to approve the Resolution Establishing a Special Committee to Oversee the Independent Investigation by CMEEC Board of Directors on November 9, 2018.

Motion passed unanimously.
