APPLICATION INSTRUCTIONS

Valid for customers who purchase a qualifying high efficiency heating and/or cooling system installed January 1, 2020 through January 31, 2022. All rebate requests must be postmarked no later than March 31, 2022. Total incentive cannot be more than 50% of the total installation cost of the qualifying high efficiency heating and/or cooling system. TO RECEIVE YOUR REBATE, READ THE PROGRAM REQUIREMENTS ON THE REVERSE BEFORE PROCEEDING. INSTRUCTIONS: Please fill out this form completely and mail it to the address below. You must include a copy of the contractor's invoice, listing the condenser, coil and fan model and serial numbers, the purchased equipment type, the AHRI certificate system as MATCHED ASSEMBLY and a copy of your recent electric utility bill. A matched assembly is a model combination that is listed in the AHRI Directory of Certified Equipment. ANSI/AHRI STANDARD 210/240-2008. These items must accompany each incentive Application.

2020 SNEW Residential Cool Choice Central Air Conditioner or Heat Pump Initiative

Eligibility: Rebates are available to South Norwak Electric and Water residential customers. Equipment must be installed in the SNEW service territory. Equipment must be installed by a licensed contractor in the service territory. Eligible systems are: electric central air conditioning and air source heat pump systems of MATCHED ASSEMBLY in which both the condenser unit and the evaporator coil are installed simultaneously. A matched assembly is a model combination that is listed in the AHRI Directory of Certified Equipment. A matched assembly shall also include the air handler, furnace, or other component that is used to determine the rating according to ANSI/AHRI STANDARD 210/240-2008.

Application Offer: This Initiative covers products purchased on or after January 1, 2020 through January 31, 2022. Details of this Initiative, including Rebate levels, are subject to change or cancellation without prior notice. This application form with required documentation must be received by March 31, 2022. Call SNEW for additional Initiative details.

Completed and signed applications must be submitted within 30 days of the equipment installation to be eligible for Rebates.

Proof of Purchase: A contractor's invoice itemizing the purchased equipment must accompany each Rebate application form. **The invoice copy must indicate the equipment type, size, make and model, serial number of the system and date of purchase.**

Application Form: This application must be filled out completely, truthfully and accurately. An authorized representative of the customer must sign, date, and submit the application along with the invoice, and manufacturer's equipment performance sheet stating the ARI certified efficiency rating and nominal capacity.

Payment: Please allow six to eight weeks for payment. Payment process may take longer if information is missing on application. Call SNEW for details.

Approval and Verification: SNEW reserves the right to verify sales transactions and to have reasonable access to your facility, to inspect the HVAC system installed under this Initiative, prior to issuing Rebates, or at a later time.

Endorsement: SNEW does not endorse any particular manufacturer, product or system design in promoting this Initiative.

Tax Liability: SNEW will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of Rebates.

Warranties: SNEW DOES NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. The participating MEU makes no warranties or representation of any kind, whether statutory, expressed or implied, including, without limitations, warranties of merchantability or fitness for particular purpose regarding the unitary HVAC equipment or services provided by a manufacturer or vendor. Contact your contractor for details regarding equipment performance and warranties.

Limitations of Liability: The liability of SNEW is limited to paying the Rebate specified. SNEW is not liable for any consequential or incidental damages or for any damages in tort connected with or resulting from participation in this Initiative.

Assignment: The customer may assign the Rebate payment to a qualified contractor.

Specific Requirements: These include, but are not limited to: payment options, Rebate restrictions for facilities using self-generation for non-emergency purposes. Please call SNEW for additional details.

Owner's Certification: Owner certifies that he/she has purchased and installed the equipment listed above at the defined location. Owner agrees that all information is true and that he/she conformed to all Initiative and Eligibility requirements listed. Owner has verified that the units listed above have been installed correctly. There are no unusual noises or vibrations and all controls have been calibrated. Owner or owner's representative has been instructed on how to operate and maintain this equipment and has received all the necessary operation and maintenance manuals. Owner has verified that any applicable air-system and water balancing has been performed.

ISO-NE Capacity Payments: By signing this document, and as a condition for receiving a Rebate pursuant to this program, customer hereby assigns to its participating municipal electric utility, whichever the case may be, all of its rights, title and interest in and to any and all LICAP, ICAP, or any and all other capacity-related credits or payments for which customer may be eligible from ISO-NE or such value associated with the settlement of such LICAP, ICAP, or capacity payments as determined through the ISO-NE LICAP, ICAP, or other such like capacity supply auction or market (or its successors or replacements) for any capacity enrolled with ISO-NE.

Minimum Efficiency Levels / Incentive Schedules

Central Air Conditioning		Incentive Per Unit*
AHRI ¹ Rated Unitary Air Conditioning and Split Systems	14.5 SEER ² / I2 EER ³	\$250
AHRI Rated Central Air Conditioning Packages Systems	14.0 SEER / II EER	\$250
AHRI Rated Air Source Heat Pump Split Systems	14.5 SEER / I2 EER / 8.2 HSPF ⁴	\$250
AHRI Rated Air Source Heat Pump Packaged Systems	14.0 SEER / II EER / 8.0 HSPF	\$250

ELIGIBILITY REQUIREMENTS *Requires Pre-Approval*

Water Source Heat Pump Equipment		Minimum Qualifying EER	Rebate /Ton
Tons	BTUs		
≤ 11.25	<135,000	14.0	\$150

¹AHRI - Air Conditioning, Heating and Refrigeration Institute. All equipment must be rated in the AHRI Air Conditioners and Air Conditioner Coils or Heat Pump Coils directories. Both can be found online at www.AHRIdirectory.org.

² SEER - Seasonal Energy Efficiency Ratio

³ EER - Energy Efficiency Ratio

⁴ HSPF - Heating and Seasonal Performance Factor

* Total Incentive payment not to exceed 50% of the total installation cost of the qualifying high efficiency heating and/or cooling system. Funding for this rebate program is limited to the period indicated or while funds last.
